No documents attached. Are they paper documents, e-mailable files or do I need to go to a PRP contractors site to get the documents. If I need to go to a site please provide me with the log-in codes and passwords and include the name of the appropriate files.

Thanks,

Walter R. Helmick

Walt:

Could you please review these docs and let us know if they meet the EPA QA/QC requirements and any comments or questions you may have related to them?

Thanks
